Understanding Group Codes

**D (drop-in):** Participants can register at any time during the season. Drop-in group sessions operate on a first-come-first-served basis per session, up to a pre-determined number of participants. There are no waitlists for drop-in groups.

**O (open):** Participants can register at any time during the season, space allowing.

**C (closed):** Registration is unavailable following the second session. Participants who miss the first 2 sessions are removed from the group so that waitlisted individuals can be invited to join. To support a trusting and comfortable group dynamic, no one joins a closed group following the third session.

**WS (workshops):** Single session programs exploring special topics that change seasonally.

**SUPPORT FOR CAREGIVERS & LOVED ONES**

Connect with other caregivers and loved ones to learn more about eating disorders and how to support someone who has one, while surrounding yourself with much needed support.

((D) **FAMILY, FRIENDS, AND PARTNERS SUPPORT**

These support sessions provide a space where family members, partners, and friends can explore the experience of having a loved one with an eating disorder, seek support, share resources, and gain new insights and information. A separate breakout room with one facilitator is used for the partners who attend this group.

**NOTE:** For confidentiality reasons, we do not allow observers to participate in our groups. If you are a family member, friend, or partner of someone with an eating disorder, you are welcome to register for the Family, Friends, and Partners Support group. Caregivers and loved ones are not permitted to register for any other groups. If you are both a caregiver and someone with lived experience of an eating disorder, you can contact Sheena’s Place to discuss which type of group would best meet your needs at this time.

---

**SUPPORT GROUPS**

Connect with others facing similar challenges by sharing experiences and support. Groups are semi-structured; the majority of each session is group discussion based on themes raised by participants.

((D) **ADULT SUPPORT**

Adult support groups provide a non-judgmental space, where participants can seek support about the challenges of living with an eating disorder, share strategies for coping and moving towards recovery, develop new insights, and gain a sense of hope and connection through mutual support.
